

The White Station High School Honors Orchestras

Dr. Andrew Palmer, Director

All-West Auditions Saturday, November 17, 2018

Student's name: _____

Your Assigned Audition Time: _____ Your Planned Arrival Time: _____

Location: Briarcrest School, 76 S. Houston Levee Road, Eads, TN 38028, which is just south of the end of Walnut Grove Road. DO NOT GO to the Ridgway Loop address. It is a large campus, so please give yourself ample time to find the correct entrance and locate the registration and warm-up areas.

The school will be open by 7:15 a.m. Register BEFORE your audition time. Warm up in the cafeteria. Register when you are ready to audition, because they may send you to the room at that time. Again, register BEFORE your audition time. Late arrivals will not be allowed to audition. You may audition earlier than your assigned time, but only within the active timeframe of your audition category (i.e. 9/10 basses don't start at 8:00 a.m., so you can't audition at 8:05).

The auditions are screened (the judge cannot see you), so dress comfortably. A teacher will be in the room to act as the monitor. They will give you directions on when and what to play. You DO NOT talk in the room. You may use your own music. Music will also be available in the audition room. Scales must be memorized.

All high school students: All major scales, minimum of two octaves, minimum tempo is quarter note =120. Violins also play G melodic minor; violas and cellos also play C melodic minor; basses also play E melodic minor.

After your audition, you are free to leave. Official results will be posted at WTSBOA.website as soon as they are confirmed, usually by Monday. I will try to post our unofficial results on our website before Monday. DO NOT ask me for the results. Thank you.

If you are accepted, please be prepared to send in the \$30.00 clinic fee (cash or checks to White Station High School) and the student agreement form.
